## WELCOME TO BARKER BRETTCELL SWEDEN AB

Barker Brettell has identified Europe as a focus for continued direct client growth and new opportunities. The four-person team is part of the larger Intellectual Property (IP) specialist, Barker Brettell LLP, which is headquartered in the United Kingdom. Our specialist IP legal services are tailored to give you the best protection today and tomorrow.

Whether your world involves brands, ideas, innovations, designs, trade secrets or business solutions, our experts can help you protect these valuable IP assets so your business can succeed.

Partners Liselott Enström and Henrik Sjölander come with a wealth of experience and manage the office, whilst working in tandem with the UK offices. They are also joined by Linn Berggren, an authorised European trade mark and design attorney, and a Swedish IP attorney.

Barker Brettell Sweden AB was named the highest Swedish trade mark filer in 2019 according to EUTM filing statistics, just one year after opening the doors of its Stockholm office in March 2019.

Henrik Sjölander

## MEET THE TEAM...

Henrik has a wealth of experience advising clients in the fields of biotechnology, life sciences, medical devices and telecommunications, drafting and prosecuting patent applications, oppositions and appeals. He works with a broad range of clients, from startups to large international corporations, and has particular experience in the life sciences and medical sectors, working with universities and spin-out companies.

Liselott Enstrom

Liselott has over 25 years' experience advising clients on a wide range of trade mark matters, including international portfolio management, freedom to use and the registrability of trade marks, as well as filing and prosecuting trade mark applications. She is an excellent negotiator and has a natural ability to provide clear advice in conflict matters. Her current client portfolio includes a diverse range of clients. She has particular experience in the cosmetics, fashion, food and drink, and automotive sectors.

Linn Berggren

## MEET THE TEAM...

Linn specialises in IP law and has 16 years' attorney experience. She has extensive experience in advising clients on local and international trade mark protection and works with all areas of trade mark law, including registrability advice, clearance searches, oppositions and cancellation actions, portfolio management and strategic advice. She works with a large range of clients but has particular expertise in the food and beverage, tobacco, information technology and medical sectors.

Eva-Marie Ek

Eva-Marie Ek is an experienced IP Paralegal and works in close collaboration with our attorneys. She is specialised in patent and trade mark prosecution, including co-ordinating and managing simultaneous patent filings worldwide, assignment matters and other formalities. Eva-Marie has been in the IP profession since 2005, and has been working with Barker Brettell Sweden AB since 2020.

Our specialist IP legal services are tailored to give you the best protection. Whether your world involves brands, ideas, innovations, designs, trade secrets or business solutions, our experts can help you protect these valuable IP assets so your business can succeed.

The goal of the Swedish office is to be able to offer clients full service in brands, design and patents with high quality services both for private individuals and companies with operations only in Sweden as well as for global companies.

We understand the challenges of building a robust brand and managing global portfolios, so we tailor commercially focused, pragmatic advice on IP strategy and protection so that it is aligned to your business objectives. We are very experienced in managing the prosecution of patent, trade mark and design applications for our clients in overseas territories and are able to do this through our offices in the UK, Sweden and our handpicked network of trusted attorneys worldwide.
